Timing can make or break a joke. Deliver your punchline at just the right moment for maximum impact. Practice your timing to enhance the comedic effect.

3. Be Animated

Use your body language and facial expressions to enhance the delivery of your jokes. Being animated can draw people in and make the joke even funnier.

If a joke doesn't land, don't dwell on it. Move on gracefully to another topic or joke. Forcing humor can make the situation awkward.
