Understanding Chicken Cordon Bleu

Chicken cordon bleu is a Swiss dish that translates to "blue ribbon chicken." Traditionally, it involves a chicken breast stuffed with ham and cheese, then breaded and fried or baked until golden brown. The dish is beloved for its crispy exterior and savory filling, making it a favorite among many.

Ingredients Required

Before diving into the cooking instructions, let's gather the necessary ingredients. For Kroger's chicken cordon bleu, you will need:

- For the Chicken:
 - 2 boneless, skinless chicken breasts
 - 4 slices of deli ham (preferably smoked or honey ham)
 - 4 slices of Swiss cheese
 - Salt and pepper to taste
- For the Breading:
 - 1 cup all-purpose flour
 - 2 large eggs
 - 1 cup breadcrumbs (Panko breadcrumbs for extra crunch)
 - 1 teaspoon garlic powder
 - 1 teaspoon paprika
 - 1 tablespoon olive oil
 - Cooking spray
- Optional:
 - Fresh parsley for garnish
 - Lemon wedges for serving

Preparation Steps

Cooking Kroger chicken cordon bleu requires a bit of preparation, but the process is relatively straightforward. Follow these steps to ensure a classic result.

Step 1: Preheat the Oven

Start by preheating your oven to 375°F (190°C). This will ensure that your chicken cooks evenly and achieves a perfect golden brown color.

Step 2: Prepare the Chicken

1. Flatten the Chicken Breasts:

- Place each chicken breast between two pieces of plastic wrap or parchment paper.
- Using a meat mallet or rolling pin, gently pound the chicken until it is about 1/2 inch thick. This helps the chicken cook evenly and makes it easier to roll.

2. Season the Chicken:

- Remove the plastic wrap and season both sides of each chicken breast with salt and pepper.

Step 3: Assemble the Cordon Bleu

1. Layer the Filling:

- On each flattened chicken breast, lay two slices of ham and two slices of Swiss cheese. Ensure that the filling is evenly distributed but doesn't extend to the edges.

2. Roll the Chicken:

- Starting from one end, carefully roll the chicken tightly around the filling. Tuck in the sides as you roll to prevent the filling from spilling out.
- Secure the roll with toothpicks or kitchen twine if necessary.

Step 4: Prepare the Breading Station

Set up a breading station to make the coating process efficient. You will need three shallow bowls:

1. Flour Mixture:

- In the first bowl, combine the all-purpose flour with a pinch of salt and pepper.

2. Egg Wash:

- In the second bowl, beat the two eggs until they are well combined.

3. Breadcrumb Mixture:

- In the third bowl, mix the breadcrumbs with garlic powder, paprika, and a pinch of salt.

Step 5: Bread the Chicken Rolls

1. Coat in Flour:

- Take one chicken roll and coat it in the flour mixture, shaking off any excess.

2. Dip in Egg Wash:

- Next, dip the floured chicken into the egg wash, ensuring it is completely coated.

3. Coat with Breadcrumbs:

- Finally, roll the chicken in the breadcrumb mixture until it is evenly coated. Press gently to ensure the breadcrumbs adhere well.

Step 6: Bake the Chicken Cordon Bleu

1. Prepare the Baking Sheet:

- Lightly grease a baking sheet with cooking spray or line it with parchment paper for easier cleanup.

2. Arrange the Chicken:

- Place the breaded chicken rolls on the baking sheet, ensuring they are spaced apart. Drizzle a little olive oil over the top to promote browning.

3. Bake:

- Bake in the preheated oven for 25-30 minutes, or until the chicken reaches an internal temperature of 165°F (74°C) and is golden brown on the outside.

Step 7: Serve and Enjoy

Once your chicken cordon bleu is done baking, remove it from the oven and let it rest for a few minutes. This allows the juices to redistribute, making the chicken tender and juicy. Carefully remove any toothpicks or twine before slicing the rolls.

Serve the chicken cordon bleu garnished with fresh parsley and lemon wedges for an extra touch of flavor. Pair it with sides like steamed vegetables, a fresh salad, or a creamy mashed potato for a complete meal.
