

lego city undercover guide

Lego City Undercover Guide is a comprehensive resource designed to assist players in navigating the vibrant and expansive world of Lego City. Released in 2013 for the Wii U and later for other platforms, this action-adventure game combines exploration, puzzle-solving, and a lighthearted narrative in a charming Lego universe. Players take on the role of Chase McCain, an undercover cop on a mission to capture the notorious criminal Rex Fury. This guide will cover essential gameplay mechanics, tips for completing missions, collectible locations, and strategies for unlocking characters and vehicles.

Getting Started with Lego City Undercover

Before diving into the rich gameplay experience, it's crucial to familiarize yourself with some foundational elements of the game.

Controls and Mechanics

Understanding the controls is vital for an enjoyable experience. Here are the basic controls:

- Movement: Use the left thumbstick to move Chase around.
- Camera Control: Adjust the camera with the right thumbstick.
- Jumping: Press the 'A' button to jump.
- Action/Interact: Use the 'B' button to interact with objects and characters.
- Combat: The 'X' button allows Chase to perform melee attacks.
- Special Abilities: Different characters have unique abilities that can be activated with specific buttons.

Game Modes

Lego City Undercover features two primary modes:

- Story Mode: Follow the main narrative as Chase McCain, complete missions, and unravel the plot surrounding Rex Fury.
- Free Play Mode: After completing missions, players can return to levels with different characters to access new areas and collectibles.

Mission Structure

Missions in Lego City Undercover are varied and engaging, blending action, stealth, and puzzle elements.

Main Missions

- Objective-Based: Each mission has specific objectives that must be completed to progress the story. These can include chasing criminals, solving puzzles, or gathering evidence.
- Cutscenes: Enjoy humorous cutscenes that flesh out the narrative and provide context to Chase's quest.
- Character Unlocks: Completing missions often unlocks new characters with unique abilities, enhancing gameplay diversity.

Side Missions

In addition to the main story missions, players can engage in side missions that contribute to the overall experience:

- Vehicle Theft: Chase must recover stolen vehicles.
- Citizen Rescue: Help citizens in distress around Lego City.
- Collectible Challenges: Find hidden items or complete specific tasks for rewards.

Collectibles and Unlockables

Lego City Undercover is packed with collectibles that encourage exploration and replayability. Here's a breakdown of what to look for:

Red Bricks

Collecting red bricks allows players to unlock cheats and special abilities. They can be found throughout the game world, often requiring specific skills or characters to access.

Gold Bricks

Gold bricks serve as the primary collectible in the game. They are earned through various activities, including:

1. Completing missions.
2. Finding hidden objects.

3. Achieving certain goals in side missions.

Character Tokens

Characters in Lego City Undercover each have unique abilities. Unlocking new characters can be done by:

- Completing specific missions.
- Finding character tokens hidden in levels.
- Purchasing them with in-game currency.

Vehicles

Lego City boasts a wide array of vehicles that can be unlocked. Players should explore and complete challenges to acquire:

- Cars
- Trucks
- Helicopters
- Boats

Tips and Strategies

To maximize your enjoyment and efficiency in Lego City Undercover, consider the following tips:

Exploration

- Thoroughly Search Areas: Many collectibles are cleverly hidden, so take your time to explore every nook and cranny.
- Use Different Characters: Switch between characters to utilize their unique abilities. Certain areas can only be accessed by specific characters.

Combat Techniques

- Dodge and Counter: Learn to dodge enemy attacks and counter for effective combat.
- Use the Environment: Look for objects in the environment that can be used as weapons or distractions.

Utilizing the Map

- Check Your Map: The in-game map is a valuable tool for locating missions, collectibles, and side quests.
- Markers: Use markers to help you remember where you found items or where you need to return later.

Character Abilities and Their Uses

Each character in Lego City Undercover comes with unique abilities that aid in mission completion and exploration.

Chase McCain's Abilities

- Disguise Skills: Chase can change into various disguises, allowing him to access restricted areas and perform different tasks.
- Grapple Gun: Use the grapple gun to reach high places and swing across gaps.

Other Characters

- Construction Workers: Can build structures from Lego pieces.
- Firefighters: Able to extinguish fires blocking paths or objectives.
- Robbers: Can break into certain locked areas.
