quotes along with their analysis:

"I want to be like you." - Oskar

This quote encapsulates Oskar's yearning for connection and his desire to escape the pain of his existence. By expressing a wish to be like Eli, Oskar reveals his longing for strength and acceptance. Eli, with her supernatural abilities, represents a world of power and freedom that Oskar craves. However, this desire also foreshadows the darker implications of their relationship, as Oskar's admiration for Eli is intertwined with the dangerous allure of her vampiric nature.

"It's better to be a monster than a victim." - Eli

Eli's statement reflects a profound understanding of power dynamics and survival. In a world where both characters face persecution—Oskar from his bullies and Eli from society—this quote emphasizes the theme of agency. "You have to invite me in." - Eli

The repeated phrase about invitation highlights the theme of consent and the nature of relationships. In the context of vampirism, it suggests that true connection requires an invitation, both literal and metaphorical. It speaks to the vulnerability inherent in allowing others into one's life, a sentiment that resonates deeply with Oskar, who is desperate for companionship.
