Liberty University History Department

The Liberty University History Department is a vibrant academic hub situated within the larger framework of Liberty University, a private Christian university located in Lynchburg, Virginia. Established in 1971, Liberty University has grown to become one of the largest Christian universities in the world, with a commitment to providing a comprehensive education that is grounded in biblical principles. The History Department plays a crucial role in this mission by offering programs that emphasize the study of history from a Christian worldview, encouraging students to engage deeply with the past while developing critical thinking and analytical skills.

Foundation and Development

The History Department at Liberty University has its roots in the early years of the institution. As the university expanded its academic offerings, the need for a robust history program became evident. The department was officially established as part of the College of Arts and Sciences, aligning with Liberty's mission to provide a liberal arts education that integrates faith and learning.

Early Years

During its formative years, the History Department focused on building a curriculum that would not only meet academic standards but also reflect the values of the university. Faculty members were selected not only for their academic credentials but also for their commitment to the university's mission. This focus on integrating faith with education set the foundation for the department's future growth.

Growth and Expansion

As Liberty University grew in enrollment and reputation, so too did the History Department. The late 1990s and early 2000s saw significant expansion in the department's offerings, including the introduction of graduate programs and specialized tracks within the undergraduate curriculum. This growth was driven by an increasing demand for history graduates in various fields, including education, law, government, and public service.

Academic Programs

The Liberty University History Department offers a range of academic programs designed

to cater to the diverse interests and career aspirations of its students.

Undergraduate Programs

1. Bachelor of Arts in History: This program provides a comprehensive overview of historical events, themes, and methodologies, allowing students to engage with various time periods and geographical regions. The curriculum emphasizes critical thinking, research skills, and effective communication.
2. Bachelor of Science in History Education: Tailored for students who aspire to become educators, this program combines history coursework with pedagogical training, equipping future teachers with the knowledge and skills necessary to inspire the next generation of students.
3. Minors and Concentrations: The department also offers minors in history and specialized concentrations in areas such as American history, European history, and world history, allowing students to tailor their education to their specific interests.

Graduate Programs

The History Department at Liberty University also offers graduate-level programs, including:

1. Master of Arts in History: This program is designed for students seeking to deepen their understanding of historical scholarship and prepare for advanced research or teaching positions.
2. Master of Arts in History with a focus on Public History: This concentration is aimed at students interested in applying their historical knowledge in public settings, including museums, archives, and historical sites.

Teaching Philosophy and Methodology

The faculty within the Liberty University History Department are committed to a teaching philosophy that emphasizes the integration of faith and learning. This approach is reflected in the following key principles:

Faith Integration

Faculty members encourage students to explore how their faith intersects with historical study. This unique perspective fosters a deeper understanding of historical events and encourages students to consider the moral and ethical implications of historical actions.

Critical Thinking and Analysis

Students are trained to think critically about historical narratives and sources. The department emphasizes the importance of evaluating primary and secondary sources, understanding historiography, and recognizing the complexities of historical interpretation.

Engaged Learning

The History Department promotes active and engaged learning through various pedagogical strategies, including:

- Capstone Projects: Students are often required to complete a capstone project that allows them to conduct original research and present their findings.
- Discussion-Based Learning: Courses typically incorporate discussions that encourage students to articulate their views and engage with diverse perspectives.
- Field Trips and Experiential Learning: The department organizes field trips to historical sites, museums, and archives, providing students with hands-on experiences that enrich their understanding of history.

Research Opportunities

Research is a vital component of the academic experience within the Liberty University History Department. Faculty members are active researchers in their fields, and students are encouraged to participate in research projects.

Student Research Initiatives

1. Undergraduate Research: The department promotes undergraduate research through various initiatives, including research conferences and symposiums where students can present their work.
2. Collaborative Faculty-Student Research: Faculty often collaborate with students on research projects, providing mentorship and guidance throughout the research process.
3. Publications and Conferences: Students have opportunities to publish their research in academic journals and present at national and regional conferences, gaining valuable experience and exposure in the academic community.

Community Engagement

The Liberty University History Department emphasizes the importance of community

engagement and service. Faculty and students often participate in local historical organizations, museums, and community events to promote historical awareness and education.

Partnerships with Historical Organizations

The department has established partnerships with various historical organizations, enabling students to engage in internships and volunteer opportunities that enhance their learning and provide practical experience in the field.

Public Lectures and Events

The department regularly hosts public lectures, seminars, and events featuring guest speakers from various fields of history. These events provide students and the community with opportunities to engage with contemporary historical issues and learn from experts in the field.

Conclusion

In conclusion, the Liberty University History Department stands as a testament to the university's commitment to providing a well-rounded education that integrates faith, learning, and community engagement. Through its diverse academic programs, emphasis on critical thinking, and dedication to research and community service, the department prepares students to become informed citizens and leaders in their respective fields. As Liberty University continues to grow and evolve, the History Department remains a vital part of its mission, shaping the next generation of historians and educators who will contribute to the understanding and appreciation of history from a Christian perspective.
