Structure of Simple Present Tense

The simple present tense is formed using the base form of the verb for most subjects, with specific changes for third-person singular (he/she/it). Here's a quick overview:

- I/You/We/They: base form (e.g., I wake up at 7 AM.)
- He/She/It: base form + s/es (e.g., She wakes up at 7 AM.)

Examples and Usage

Students learn to create affirmative sentences, negative sentences, and questions in the

simple present tense. Here are some examples:

- Affirmative: I have breakfast at 8 AM.
- Negative: He does not go to the gym in the morning.
- Question: What time do you go to bed?

To practice the simple present tense, Unit 10 features several exercises:

1. Convert affirmative sentences into negative and interrogative forms.
2. Complete sentences using the correct form of the verb.
3. Write a paragraph about your daily routine using simple present tense.

These exercises provide students with the opportunity to apply their grammatical knowledge in a practical context.
