

my savior my god lyrics and chords

My Savior My God lyrics and chords are essential for worship musicians and enthusiasts alike, as they encapsulate a profound message of faith and devotion. This powerful song has resonated with many believers, making it a staple in church services and personal worship sessions. In this article, we will delve into the lyrics, explore the chords used in the song, and discuss how to play it effectively on various instruments. Additionally, we will highlight the song's themes and its impact on congregational worship.

Understanding "My Savior My God"

"My Savior My God" is a contemporary Christian worship song written by Aaron Shust. The song expresses deep gratitude and awe for God's grace and love. Its lyrics convey a personal relationship with God, emphasizing His role as a savior and the source of strength in difficult times.

Key Themes in the Lyrics

The song's lyrics are rich in theological meaning and emotional depth. Here are some of the key themes:

- **Salvation:** The lyrics celebrate the concept of salvation through faith in Jesus Christ, emphasizing His sacrifice and the believer's response to that grace.
- **Trust and Faith:** A recurring theme is the trust that believers place in God, even in uncertain times, reinforcing the idea that God is a reliable foundation.
- **Personal Relationship:** The song highlights the intimacy of a personal relationship with God, portraying Him not just as a deity but as a loving savior and friend.

Lyrics Breakdown

While we cannot provide the full lyrics due to copyright restrictions, we can summarize them and discuss their significance. The song typically begins by acknowledging God's greatness and the overwhelming sense of gratitude one feels when reflecting on His goodness.

The chorus often reiterates the central message of the song: that God is both a savior and a guide through life's trials. Each verse builds upon the idea of reliance on God's strength and the joy that comes from knowing Him.

Musical Structure

Understanding the musical structure of "My Savior My God" is crucial for anyone looking to perform it. The song is composed in a way that allows for dynamic worship experiences, often starting softly and building to a powerful climax.

Chords for "My Savior My God"

To play "My Savior My God," you'll need to know the basic chords used throughout the song. Here's a simple chord progression typically used:

- Verse: G - D - Em - C
- Chorus: G - D - C - G

This progression allows for easy transitions and is suitable for both beginners and seasoned musicians. Below is a brief guide on how to play the chords:

Chord Guide

1. G Major: Place your second finger on the 3rd fret of the sixth string, your first finger on the 2nd fret of the fifth string, your third finger on the 3rd fret of the second string, and your fourth finger on the 3rd fret of the first string.
2. D Major: Place your first finger on the 2nd fret of the third string, your second finger on the 2nd fret of the first string, and your third finger on the 3rd fret of the second string.
3. E Minor: Place your second finger on the 2nd fret of the fifth string and your third finger on the 2nd fret of the fourth string, letting the other strings ring open.
4. C Major: Place your first finger on the 1st fret of the second string, your second finger on the 2nd fret of the fourth string, and your third finger on the 3rd fret of the fifth string.

These chords are versatile and can be played on various instruments, including guitar and piano.

How to Play "My Savior My God"

Here's a step-by-step guide to playing "My Savior My God" effectively:

Step 1: Familiarize Yourself with the Chords

Before diving into the song, ensure you are comfortable with the chords. Practice transitioning between them until you can switch smoothly without pausing.

Step 2: Listen to the Song

Listening to the original recording of "My Savior My God" will help you understand the tempo and dynamics of the song. Pay attention to how the verses and chorus are structured.

Step 3: Start with the Intro

Begin by playing the intro chord progression softly, setting a reflective mood. This will help you ease into the worship experience.

Step 4: Build Up to the Chorus

As you progress to the chorus, gradually increase your volume and intensity. This contrast can enhance the emotional impact of the song.

Step 5: Incorporate Dynamics

Consider using dynamics to express different emotions throughout the song. Play softly during the verses and build up to a powerful sound during the chorus.
