Persona 5 Royal 100% Completion Guide

Persona 5 Royal is an enhanced version of the critically acclaimed JRPG, Persona 5. With new characters, story arcs, and gameplay mechanics, it offers players a chance to dive deeper into its immersive world. Achieving 100% completion in Persona 5 Royal is a rewarding challenge that requires meticulous planning and dedication. This guide will take you through everything you need to do in order to fully complete the game, from maxing out social links to collecting all trophies.

Understanding the Basics

Before diving into the specifics of the completion tasks, it's important to understand some of the foundational elements of Persona 5 Royal.

Game Structure

Persona 5 Royal is divided into in-game months, with each month presenting time constraints for various activities. Players must manage their time wisely to balance dungeon crawling, social interactions, and personal development.

Key Activities for Completion

To achieve 100% completion, you will need to focus on:

- Maxing out all social links (Confidants)
- Completing all Palace heists
- Achieving the best ending
- Attending all events and activities
- Collecting all Personas
- Completing all quests (requests)
- Obtaining all trophies

Maxing Out Confidants

One of the most significant aspects of Persona 5 Royal is building relationships with various characters, known as Confidants. Maxing out these relationships is crucial for your growth and offers unique benefits.

Confidant List

Here's a list of all Confidants you need to max out:

1. Café Owner (Sojiro Sakura)
2. Protagonist's Friends (Ryuji Sakamoto, Ann Takamaki, Morgana)
3. Doctor (Tae Takemi)
4. Teacher (Kawakami)
5. Politician (Masayoshi Shido)
6. Thief (Futaba Sakura)
7. Detective (Goro Akechi)
8. Fictional Character (Ichiko Oya)
9. Dancer (Hifumi Togo)
10. Distant Relative (Shinya Oda)

Tips for Maxing Confidants

- Time Management: Use your days off and evenings wisely. Prioritize Confidants whose ranks will increase based on your current level.
- Gifts: Give gifts to your Confidants to increase their affection towards you.
- Activities: Engage in activities that will strengthen your bond, such as going out for coffee, attending events, or simply spending time together.

Completing Palace Heists

Each Palace in Persona 5 possesses its own unique story and challenges. Completing all Palaces is essential for progressing through the main storyline.

Palace Breakdown

You will encounter the following Palaces:

1. Kamoshida's Palace
2. Madarame's Palace
3. Okumura's Palace
4. Shido's Palace
5. Maruki's Palace

Strategies for Palace Completion

- Explore Thoroughly: Ensure you explore each Palace fully to uncover all items and treasure.
- Level Up: Grind before entering a Palace to ensure your characters are sufficiently leveled for the challenges ahead.
- Use Effective Personas: Combine different Personas that exploit enemy weaknesses for smoother battles.

Achieving the Best Ending

Persona 5 Royal offers multiple endings, but achieving the best ending is essential for 100% completion.

Steps to the Best Ending

1. Complete the Main Story: Follow the narrative and make choices that align with the Phantom Thieves' goals.
2. Max Out Confidants: Ensure you have maxed out certain key Confidants to unlock additional story content and choices.
3. Participate in Events: Attend all critical events leading up to the final battle, including the final exams and school festival.

Events and Activities

There are numerous events and activities throughout the game, many of which contribute to your completion percentage.

Key Events to Attend

- School Festivals
- Cultural Festivals
- Seasonal Events (such as New Year's and Summer Break)
- Part-Time Jobs (which also help with social stats)

Activities to Engage In

- Sports: Join a sports team or attend games.
- Cultural Clubs: Participate in cultural activities and clubs.
- Leisure Activities: Spend time at the arcade, baths, or other leisure spots to build social stats.

Collecting Personas

One of the key features of Persona 5 Royal is the Persona fusion system, which allows you to collect and create a variety of Personas.

Persona Collection Tips

- Fusion: Experiment with different combinations to create new Personas.
- Negotiation: During battles, negotiate with enemies to obtain their Personas.
- Compendium: Complete the Compendium by registering all Personas you encounter.

Completing Quests and Requests

Throughout your journey, you will encounter various side quests and requests that add depth to the game.

Types of Quests

1. Main Story Quests
2. Side Quests
3. Request Quests from Confidants

Strategies for Completing Quests

- Keep Track: Use the in-game journal to keep track of all active quests.
- Prioritize Requests: Some requests are time-sensitive, so ensure you complete them promptly.
- Explore Metaverse: Many requests can only be completed by venturing into the Metaverse, so be prepared for additional dungeon crawling.

Obtaining All Trophies

Persona 5 Royal features a range of trophies that reward players for completing various challenges.

Types of Trophies

- Story Trophies: Earned by progressing through the main story.
- Collectible Trophies: Earned by collecting all Personas or completing the Compendium.
- Challenge Trophies: Earned by completing specific challenges, such as defeating certain enemies or completing the game on higher difficulties.

Tips for Trophy Hunting

- Replayability: Consider multiple playthroughs to achieve different endings and collect missed trophies.
- Online Guides: Use trophy guides available online for specific trophy requirements.

Final Tips for 100% Completion

Achieving 100% completion in Persona 5 Royal can be daunting, but it's an incredibly rewarding experience. Here are some final tips to ensure you stay on track:

- Plan and Schedule: Create a schedule to manage your time effectively throughout the game.
- Stay Organized: Keep track of your progress in maxing out Confidants, completing quests, and collecting Personas.
- Enjoy the Journey: Remember that Persona 5 Royal is an experience meant to be enjoyed. Take your time to immerse yourself in the story and characters.

In conclusion, by following this comprehensive guide, you will be well on your way to achieving 100% completion in Persona 5 Royal. Embrace the journey, cultivate your relationships, and immerse yourself in the vibrant world of the Phantom Thieves. Happy gaming!

Frequently Asked Questions

What are the key requirements for achieving 100% completion in Persona 5 Royal?

To achieve 100% completion in Persona 5 Royal, players need to max out all Confidants, complete all Palaces, finish the new content in the third semester, achieve all trophies, complete all requests, and max out all stats: Knowledge, Guts, Charm, Kindness, and Proficiency.

How can I efficiently max out all Confidants in Persona 5 Royal?

To efficiently max out Confidants, prioritize your social stats to unlock their ranks, plan your calendar to avoid conflicts, utilize the game's new features like the Thieves Den, and take advantage of the new Confidants available in Royal, such as Kasumi and Takuto.

What new content does Persona 5 Royal offer that affects completion?

Persona 5 Royal introduces new characters, including Kasumi and Takuto, additional story content during the third semester, new Palaces, new gameplay mechanics, and extra requests that all contribute to the completion percentage.

Are there any missable trophies or achievements in Persona 5 Royal?

Yes, there are several missable trophies in Persona 5 Royal, including those tied to specific events or decisions. It's crucial to follow a guide to ensure you do not miss any during your playthrough, especially during critical story points and decisions.

What is the best way to manage time to reach 100% completion in Persona 5 Royal?

To manage time effectively, create a detailed calendar that outlines when to focus on leveling up Confidants, increasing social stats, and completing Palaces. Prioritize activities that yield multiple benefits and plan your day-to-day actions in advance to maximize efficiency.
