Preparation for the Elite Four

Before you step into the Pokémon League, it's vital to prepare thoroughly. Here are some tips:

Leveling Up Your Pokémon

- Aim for at least level 55-60 for your Pokémon. This ensures that you're on par with the Elite Four's levels.

- Hyper Potions
- Full Restores
- Revives

Having a good supply of these items can make a significant difference in your battles.

Building a Balanced Team

A well-rounded team is crucial for success. Consider including:

- Sudowoodo
- Rampardos

Strategy:

- Water and Grass-types are effective against Bertha's Pokémon.
