Understanding the Purpose Driven Life

Rick Warren's "The Purpose Driven Life" is structured around five key purposes that he believes are fundamental to every human being's existence:

1. Worship: Understanding that life is about glorifying God.
2. Ministry: Learning to serve others.
3. Evangelism: Sharing the message of Christ with others.
4. Fellowship: Building relationships within the community of believers.
5. Discipleship: Growing in faith and understanding of God's teachings.

These purposes form the foundation of the study guide questions, prompting individuals to contemplate how their personal experiences align with these overarching themes.
