**Realms of the Earth Angels: More Information for Incarnated Elementals,
Wizards, and Other Lightworkers by Doreen Virtue**

The concept of Earth Angels has gained significant traction in spiritual communities, particularly through the works of Doreen Virtue. These individuals are believed to embody various divine qualities, often serving as beacons of light and healing in a world that can be filled with darkness. This article will delve into the realms of Earth Angels, providing a deeper understanding of incarnated elementals, wizards, and other lightworkers, as well as the implications of their roles in the spiritual ecosystem.

The Essence of Earth Angels

Earth Angels are often described as spiritual beings who have chosen to incarnate on Earth to assist humanity. They embody divine love, compassion, and healing powers, aimed at elevating the consciousness of the planet. According to Doreen Virtue, these souls come from various realms, each with unique attributes and missions.
